Winter Term 2015

The Department of Electrical and Computer Engineering at Queen's University requests applications from suitable qualified candidates interested in teaching the following undergraduate course in the 2014/15 academic session.

Winter Term Course: January 1, 2015 - April 30, 2015

Soft-437 - "Performance Analysis"

Course Description:

Qualifications:
Minimum of a M.A.Sc. in Electrical and Computer Engineering or a related field (e.g. Computer Science), with a BASC in Electrical and Computer Engineering with a background in software. Previous teaching experience at the University level will be preferred. Candidates should have excellent communication and presentation skills. Preference will be given to qualified candidates who are licensed Professional Engineers in Canada.

The above advertised course will be taught on campus. Winter term classes begin January 6, 2015.

Queen's University is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, aboriginal people, persons with disabilities, and persons of any sexual orientation or gender identity. All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority. Teaching Fellows at Queen's University are governed by a collective agreement between Public Service Alliance of Canada (PSAC), http://www.queensu.ca/humanresources/employees/unions.html and Queen's University.

Applications should include a complete and current curriculum vitae, a statement of teaching experience, the names and contact details of two referees who may be contacted, and any relevant other materials the candidate wishes to submit for consideration. Applications can be submitted to the ECE Appointments Committee at the address below, or by email to John McKay at john.mckay@queensu.ca.

Applications should be received no later than November 18, 2014
