If you are interested in one of these positions please respond by email to ecerecpt@queensu.ca indicating the course for which you are applying.

Work will start immediately and will be completed in September in time for the start of online classes.

These positions are independent of any commitments you may have for TA work or for research with your supervisor. Please confirm that you have taken this into consideration and can meet your commitments before you apply.

This posting will stay live until each position is filled.

Please email ecerecpt@queensu.ca with any questions.
